Closures

Weather Conditions

In case of inclement weather conditions or power outages which prevent Beyond Element Childcare from providing service to children and families, the Manager will make an early morning decision to close the school based on our School District.

Snow closures

In the event of heavy snowfall, our first priority is the safety of our families and staff. We expect to be open every day throughout the winter. However, if the public schools in your School District has made the decision to not open schools because the roads are deemed too unsafe for travel, Beyond Element Childcare will also be closed.
